

Disaster recovery assistance

North Queensland Monsoon Trough, Associated Tropical Cyclone Koji and Severe Weather
commencing 24 December 2025

About QRIDA

The Queensland Rural and Industry Development Authority (QRIDA) has been supporting Queensland's primary producers for more than 30 years.

Statutory authority of the Queensland Government and specialist provider of government financial assistance and advisory support to rural and regional Queensland. We are part of the Department of Natural Resources and Mines, Manufacturing and Regional and Rural Development.

Network of Regional Area Managers based across rural and regional Queensland who are available to meet on-farm to help producers with queries and assist with their applications.

Exceptional Disaster Assistance Recovery Grants

Directly affected primary production businesses

The maximum grant amount for directly impacted businesses is \$75,000:

- **An initial amount of up to \$10,000** is available to support an initial claim. Evidence of the direct damage such as photographs, quotations, tax invoices and official receipts is required.
 - Then as recovery works are completed producers can make further applications to reach the **maximum grant of \$75,000**.
 - Alternatively, producers can roll all their eligible recovery costs into the **one application** and apply for amounts up to the **maximum grant of \$75,000** for reimbursement based on evidence of payment of those eligible costs.
-
- Closure date for Grant is 6 January 2027
