

Chemical Accreditation

Self-Paced Correspondence
Workshop (by request only)

Meets requirements for
Commercial Operator's Licence from DAF

COURSE INFORMATION*

Are you handling and applying AgVet chemicals correctly?
Are you applying chemicals on land not owned by you?

This customised course can support you in:

- > Meeting quality assurance requirements
- > Achieving WHS obligations
- > Gaining access to registered and restricted chemicals
- > Learning about chemical record keeping, safe handling, calibration and much more.

You will receive comprehensive learning materials (by post), have access to AgForce's dedicated training support team and achieve 2 nationally recognised units of competency:

AHCCHM307 - Prepare and apply chemicals to control, weeds and diseases

AHCCHM304 - Transport and store chemicals

Chemical Accreditation Card

valid for 5 years

(Apply to DAF for licence when course is completed)

NATIONALLY RECOGNISED STATEMENT OF ATTAINMENT
