

# EXPRESSION OF INTEREST

## Communications and Advocacy Advisory Committee

AgForce is currently completing its strategic planning process for the period 2021-2024. A clear emerging theme from members and industry inputting to the plan is redoubling our communication, engagement, and advocacy efforts. To support and guide that work we are putting together a volunteer advisory group.

By way of background, in 2018 we put such a group together for a couple of meetings. Many volunteered to sit on it and whilst it only met a couple of times it gave enormous value in its guidance around communication, engagement and advocacy of your organisation at the time.

**We are seeking to replicate that.**

In terms of time commitment, we would expect the group to meet monthly (by ZOOM) for say 2 hours and complete another approximately (it may vary) four hours in preparation and background reading for each of those meetings.

We seek here expressions of interest from people who would like to be involved in this group. **These need to be received by Friday 7 May 2021**, and we will respond to all volunteers with next steps by Friday 14 May 2021.
